

Town Election March will come in February

March, politically, will come to Wilmington in February, this year.

The Board of Selectmen have changed the date for Election of Officers to February 7th. This was done Monday evening, in order to conform to the new state law which has advanced the date of Presidential Primaries to March, in Massachusetts.

There are state officials who feel that the Commonwealth will gain by having an early Presidential Primary. The effect of the new law is that in over 100 towns in Massachusetts local election dates have had to be changed, breaking a tradition that goes back over 200 years.

Esther Russell, Town Clerk, had prepared a new schedule for the selectmen to consider. It was adopted without too much discussion.

The warrant for the annual town meeting will close January 5th. This is no change.

The election will be on February 7th. This is a change. It will be the first part of the annual Town

Meeting.

The adjourned Town Meeting will begin, as usual, on the second Saturday in March. No change. It will be held, as usual, in the High School gymnasium.

Immunization clinics are on first Tuesday

The Immunization Clinic, held monthly by the Wilmington Board of Health, has had its date changed. It will now be held on the first Tuesday of each month, from 9 am to 10 am in the Town Hall Annex on Middlesex Avenue. Dr. Francisco will be in charge.

The Hypertension Clinic, recommended for people over 35 years old, will be on the third Tuesday of each month, from 3:30 to 4:30 pm and from 7 to 9 pm., in the Town Hall Annex.

THERE ARE MANY THINGS TO DO: Mae Spinks, of 152 Main Street, Wilmington is now a retired lady, but she still is a very busy one. She was employed for many years in an electronic plant in Danvers, and afterwards in one in Woburn. Last summer she finished working, and is now staying at home.

Mae spends her time in ceramics, making Christmas trees, and other items including boats, to give to friends. She is shown painting a boat, with two others on the table, as she talks with a friend.

Odors are a problem

Odors are a problem, in South Wilmington.

Three plants were named, to the Board of Selectmen, Monday evening, as being the possible source of odors that are reported to be permeating the Woburn Street - Eames Street area of Wilmington.

A fourth plant was also named, not in connection with the odors, but as one which was operating after a hearing had refused the right to that plant.

The principal source of the complaints was Al Molander of Lawn Street. He was assisted by Henry Latta, a near neighbor and Wilson Belbin of Morse Avenue.

Mr. Molander, naming three plants, insisted that each be shut down, in turn, for a week, in order that the source of the odors be determined. He told the selectmen that he worked in a Boston garage, and when he got home at night he wanted to be able

The "snob zoning" housing

There is, today, under active consideration, an offer for the Town of Wilmington to purchase the land down by the Ipswich River where the Wilmington Board of Appeals has granted the right to erect low cost apartment housing, under the provisions of the Snob Zoning act, so-called:

The offer, if accepted, would have the town purchase the property, which of course would put an end to any housing that might be built there unless the town should choose to, through the Housing Authority or by other means.

The passage of the legislation did not excite many persons in this town. It was only when it appeared that there might be construction of apartment housing that opposition appeared. Some of that opposition was racist in character. Much was made of the fact that 1000 persons signed an "anti" petition. Nothing was said of the fact that there are 8000 voters, so that it follows that 7000 did not sign.

Purchasing the land would not remove the "danger" of low cost housing, under the Snob Zoning act. The same proponent, or another, could shift the emphasis to another area, and the same thing would happen again. The Board of Appeals would have to grant the appeal, if it happened to be well presented.

This must be borne in mind. Getting

rid of the presently approved area would not bury the question.

And, if another proposal were to be made, it could be "worse" in character, and would have to be accepted.

The only real criticism against the present proposal, insofar as the law goes today, is that the town fathers did not push for a sewer which would service the general public, instead of one which would serve only the apartment housing proposed.

In the opinion of this column, this was a serious error.

As things now stand, it is impossible for the company involved to get the necessary financing in Massachusetts. There is also a Federal financing available, which possibly may be applicable, but nothing has been proven.

But, on the theory that it is better to have the devil you know instead of one that is unknown, the people of Wilmington should not be too hasty about buying land, just to prevent that kind of housing.

Buying that land merely means that someone else can make the same proposals, perhaps not as well thought out, for some other part of the town. Socially, conditions could be worse, and the town would have a debt of some thousands or hundreds of thousands of dollars to pay.

Odors are a problem

to breath fresh air. He had a list of five times, between Thursday evening and Saturday evening, when there was, he said "a fierce

smell." The smell that made his daughter sick, he told the selectmen.

Latta told the selectmen that the "stench is terrible." According to Latta the odor causing agents were being released at night "when the wind was right."

Latta was willing to volunteer four or five hours a week, to operate any equipment that might be set up by the town to detect odors. He described a house with white shingles, in which the paint was turning brown, apparently the result of chemical action.

A monitoring system would be set up, the selectmen promised. Selectman Miceli promised to "do it good," and he went further to describe something, possible related to the problem being discussed, or possible to another problem, in which he described "a big black cloud, at 11 p.m."

Selectman George Boylen, who is a chemist at M.I.T. and an acknowledged authority on some aspects of chemical odors, described the measures taken in one of the local plants, to combat odors.

The plant, Boylen said, had installed a "scrubber" to get rid of odors. It was, Boylen said, expensive. The scrubber was also explained to the selectmen by Molander.

Boylen said that monitoring equipment could be obtained, but that it isn't easy. Gas could be trapped, and brought to the laboratory where he could analyze it. He used the words "Gas Chromograph" in describing the process.

Molander also had words about the agent for the Board of Health. He described an incident which, he said, took place on a Saturday morning. Molander said that there were doors of one plant open when they should not have been open. According to him, the agent of the Board of Health was with him at the time.

The selectmen promised that there would be a meeting for the selectmen, Health Agent, Chairman of the Board of Health, and officials or other representatives of the three plants. Mr. Gillis, the chairman, described the proposed meeting as one "where we can get together." He did not set a time.

Latta was skeptical about such a meeting. "They will snow us under with figures" he predicted.

Miceli reminded Latta that, if no agreement could be reached, then he, Latta, and others could file a "Taxpayers Suit" in court.

The fourth firm mentioned by Molander, said to be down on Industrial Way, will be inspected to determine if any violation of the law exists, Gillis promised.

Ethyl Acrylate seems to be the villain

The source of some odors, about which a complaint was made to the selectmen Monday evening, seems to be Ethyl Acrylate, a liquid which is used, among other things, in the manufacture of water based house paint.

A few weeks ago a truck spilled some ethyl acrylate down on Route 128, and the resulting odors were the subject of much comment by the press and radio. Since then people who know of the chemical call it "the 128 odor."

There are a number of plants in the area, not necessarily in Wilmington, which use ethyl acrylate regularly. Of course, they are very careful about spills, but sometimes spills do occur.

According to one chemist, the odor is troublesome, but not injurious. There is no question about being troublesome, he told the Town Crier.

He said that sometimes trucks, making deliveries, will spill ethyl acrylate, and the odor will hang around for days. Such an event could have happened, he said, last week, down on Eames Street. One quart of the liquid would make quite a stench, and the odor would remain for several days. Depending on where people were, they would be led to believe that they were experiencing separate incidents which really could have been from one source.

Fred Cain lost 20 pounds

REP. FRED F. CAIN: Of Wilmington has had another acupuncture adventure. A couple of months ago the Town Crier reported on his treatment for stiff joints, by acupuncture, and how he can now dance a jig.

Mr. Cain underwent acupuncture treatment recently, for being overweight, and has now lost 20 pounds - he weighs 190, instead of 210. Where did the Chinese doctor insert the needles? In his ears, and that's how Fred lost 20 pounds.

Accidents

(From Fr. Page)

Wilmington square, and turned right and zigzagged down Main Street, forcing other motorists off the road and damaging some traffic signs.

The big plate glass windows at the Fred Cain garage were nearly hit, but she did miss, and zagged out onto Main Street, where she continued south, going right at the fork.

Finally the Pontiac came to a stop on the lawn of the Northland Industrial Truck Co., where Sgt. Leonard and the Burlington police caught up with the driver. It was at 1:40 am Sunday, and she was placed under arrest by the Burlington police.

Leonard has issued five citations in connection with her Wilmington driving - Refusing to stop for a police officer; Leaving the scene of an accident after causing property damage; Driving as to endanger; Driving without lights; and Driving without a license.

The girl was arraigned in Woburn Court, and her case has been continued until Dec. 22. Reportedly the person who owns the Pontiac has refused to place charges relative to the theft of the car.

Icy conditions are blamed for an accident which took place on the Route 125 bridge, over Route 93, at 11:54 pm on Dec. 5th.

Roger Lesnik, 17, of Lawrence Court, was the operator of one car, and David P Thompson, 25, of 333 Andover Street the operator of the other, which was reported to have been making a U turn on Route 125.

Mrs. Yvonne Thompson, a passenger in her husband's car, is said to be in intensive care, at the New England Memorial Hospital in Stoneham, as the result of the accident. Her husband suffered lesser injuries.

At 10:20 pm the same day there was an accident on Main Street, near the Wilmington Plaza, but without injuries. Janine King of Mill Road was the operator of one car, and the other was operated by Clifton Williams of Billerica.

The selectmen promised that there would be a meeting for the selectmen, Health Agent, Chairman of the Board of Health, and officials or other representatives of the three plants. Mr. Gillis, the chairman, described the proposed meeting as one "where we can get together." He did not set a time.

Latta was skeptical about such a meeting. "They will snow us under with figures" he predicted.

Miceli reminded Latta that, if no agreement could be reached, then he, Latta, and others could file a "Taxpayers Suit" in court.

The fourth firm mentioned by Molander, said to be down on Industrial Way, will be inspected to determine if any violation of the law exists. Gillis promised.

Ethyl Acrylate seems to be the villian

The source of some odors, about which a complaint was made to the selectmen Monday evening, seems to be Ethyl Acrylate, a liquid which is used, among other things, in the manufacture of water based house paint.

A few weeks ago a truck spilled some ethyl acrylate down on Route 128, and the resulting odors were the subject of much comment by the press and radio. Since then people who know of the chemical call it "the 128 odor."

There are a number of plants in the area, not necessarily in Wilmington, which use ethyl acrylate regularly. Of course, they are very careful about spills, but sometimes spills do occur.

According to one chemist, the odor is troublesome, but not injurious. There is no question about being troublesome, he told the Town Crier.

He said that sometimes trucks, making deliveries, will spill ethyl acrylate, and the odor will hang around for days. Such an event could have happened, he said, last week, down on Eames Street. One quart of the liquid would make quite a stench, and the odor would remain for several days. Depending on where people were, they would be led to believe that they were experiencing separate incidents which really could have been from one source.

Fred Cain lost 20 pounds

REP. FRED F. CAIN: Of Wilmington has had another acupuncture adventure. A couple of months ago the Town Crier reported on his treatment for stiff joints, by acupuncture, and how he can now dance a jig.

Mr. Cain underwent acupuncture treatment recently, for being overweight, and has now lost 20 pounds - he weighs 190, instead of 210. Where did the Chinese doctor insert the needles? In his ears, and that's how Fred lost 20 pounds.

Accidents

(From Fr. Page)

Wilmington square, and turned right and zigzagged down Main Street, forcing other motorists off the road and damaging some traffic signs.

The big plate glass windows at the Fred Cain garage were nearly hit, but she did miss, and zagged out onto Main Street, where she continued south, going right at the fork.

Finally the Pontiac came to a stop on the lawn of the Northland Industrial Truck Co., where Sgt. Leonard and the Burlington police caught up with the driver. It was at 1:40 am Sunday, and she was placed under arrest by the Burlington police.

Leonard has issued five citations in connection with her Wilmington driving - Refusing to stop for a police officer; Leaving the scene of an accident after causing property damage; Driving as to endanger; Driving without lights; and Driving without a license.

The girl was arraigned in Woburn Court, and her case has been continued until Dec. 22. Reportedly the person who owns the Pontiac has refused to place charges relative to the theft of the car.

Icy conditions are blamed for an accident which took place on the Route 125 bridge, over Route 93, at 11:54 pm on Dec. 5th.

Roger Lesnik, 17, of Lawrence Court, was the operator of one car, and David P Thompson, 25, of 333 Andover Street the operator of the other, which was reported to have been making a U turn on Route 125.

Mrs. Yvonne Thompson, a passenger in her husband's car, is said to be in intensive care, at the New England Memorial Hospital in Stoneham, as the result of the accident. Her husband suffered lesser injuries.

At 10:20 pm the same day there was an accident on Main Street, near the Wilmington Plaza, but without injuries. Janine King of Mill Road was the operator of one car, and the other was operated by Clifton Williams of Billerica.

Jane Forest

A Wilmington woman took part in the 1975 Willows Nelta Class B Championships in women's singles and doubles played November 21, 22 and 23 at the Willows Racquet Club in North Andover. The tournament field included 42 singles entries and 41 doubles teams.

The doubles final pitted Jane Forest of Moore St., Wilmington and Jayne Schraffa of Topsfield against Priscilla Groop of Foxboro and Barbara Gummere of Weston. In the three-set match (7-5), (4-6), (6-2) with Mrs. Forest and Mrs. Schraffa continuously keeping the ball in play, forcing their opponents into frustration and errors, the final was a match to be remembered. Mrs. Forest and Mrs. Schraffa were an excellent example of the quality of women's tennis in the local area.

Meet the Wildcats

by Joe Brooks
As an added highlight for the winter high school hockey season we are presenting members of the Wilmington High varsity hockey team in a "Meet the Wildcats" column. Starting off this week we are presenting our co-captains, Dan Burns and Tom McNamara.

Dan Burns, a three year letterman, will spearhead the Wildcat offense in the upcoming season. Although plagued by past injuries, Dan has so far contributed 55 points (30 goals, 25 assists) over the past three years and hopefully will continue his scoring spree as well as being an incentive for the younger players to follow in his footsteps.

During the past two summers Dan has worked at a hockey school in Maine helping younger players improve their hockey talents. This senior co-captain has future plans for attending a four year college majoring in a liberal arts program.

When questioned on the prospects of this season, Dan believes "if our inexperienced players can catch on to our system quickly, and our veterans improve over their last year's performance, we will have a good shot at challenging the favorites for the championships."

The defensive stalwart for this year's Wildcats is senior co-captain, Tom McNamara. Being inexperienced at the blue line will put more pressure on this three year varsity letterman. Although undecided on the future, Tom hopes to continue his education and hockey talents at the college level. As for the upcoming season, Tom "welcomes the challenge and is confident that the inexperienced players will help the team." This Saturday the Wildcats begin their hockey season with a jamboree meeting against Chelmsford. Game time is slated for 2:15 p.m. Season tickets for adults and students are still available. Those interested are urged to contact Coach Fessenden at the high school.

Jamboree site

The site of the annual Merrimack Valley Basketball Conference Jamboree has been switched from the new Methuen High School to Chelmsford High.

Fans can expect a fine night of high school basketball as the area teams showcase their 1975-76 talent.

Five "mini-games" will be played. The opener at 6:00 pits always tough Lawrence against the rebuilding Methuen Rangers. Another rebuilding crew, the Tewksbury Redmen tangle with Dracut in game two. The showing of 74-75 champion Tewksbury will be of keen interest. Pre-season favorite Andover faces Wilmington in game three.

Game four has Austin Prep and tough Lawrence Central going at it. Game five could prove to be the most interesting of the night as Chelmsford with forward Nate Anderson taps off against the youthful Billerica Indians.

Distaffs put skids to losing streak

The Recs snapped their seven game losing streak with a strong 4 - 3 triumph over Hudson last Sunday afternoon in an MVGHL game at Tyngsboro. Lisa Pellerin led the distaffs with a pair of goals, her second and third of the season with her initial one of the game coming while the Recs were shorthanded.

Cherly Cushing knotted the score for the Wilmington girls at 6:19 of the middle frame after the Kittyhawks had gone in front at 4:36 of the opening stanza. Pellerin's goal then put the Recs in front at 10:09 with Cushing sitting out a minor penalty. Early in the last period Hudson knotted the score at 2 - 2 only to have the Recs go back in front to stay on the strength of Laura Miller's conversion of a

Susan Dec pass from behind the Hudson net.

Lisa Pellerin scored the eventual game winner at 4:07 as she beat the Kittyhawks' goalie from five feet out. Hudson pulled their net minder with two minutes left and at 10:55 managed to score, but it was not enough as the Recs held on to post their second win of the season. It was truly a team effort that made the victory possible as the defensive quartet of Janet Zambarnardi, Karen Surrence, Debra Reinhart and Capt. Diane Pumfrey supported the goal tending of Maureen Matarese when the going got tough. Hudson managed a slim 18 - 15 shots on net advantage.

In other league action at the Skate 3 complex, Nashua, the

Wildcat football in good shape

The Wilmington High School football squad, at this early date, appears to be in good fettle for 1976. The Wildcats look to be Andover's primary challenger in 76 on paper. Many WHS stars are juniors who will be returning next year in hopes of improving upon the impressive 1975 record of 6-2-2.

Jim Stewart, a prime contender for all star quarterbacking honors, is only a junior and will be returning next fall.

Jimmy was the hardest running quarterback in the MVC over the last five weeks and he proved he is capable of throwing the football to compliment his power thrusts.

Teaming with Stewart in next

fall's deep backfield will be Bob Sferrazza, Dino Esposito and Gordie Fitch. Sferrazza is a versatile performer capable of coming out of the backfield to take in the quick dump passes.

Esposito is cat-like and a fine defensive performer as well. Fitch saw spot duty this fall and is a big fullback type runner in the mold of past Wildcat bulls Bob Bavota and Jack Moran. Tackle Ray Gaud had a fine season at offensive tackle and he will lead the interior attack come 1976.

Center Bob Woods is another tough line returnee. So look out Andover, the Wildcats will be hot on your tails next fall. With any luck they would have made it closer in 1975.

Recs' next opponent, shut out neighboring Tewksbury, 3 - 0; Natick topped Shawsheen, 4 - 1 and Chelmsford belted Haverhill, 5 - 1.

Squirt A's knock off Southie

On Sunday, the Squirt "A's" defeated their long-time rivals, South Boston by the score of 2-1. It was a game where both teams waited for a mistake to be made, and Southie got the first break as they scored with 1:27 left in period two. Wilmington came to life in the third period as they tied the game on the power play when John Palmer sent Ed Harding in along behind the defense and Ed beat the Southie goalie with a neat flip shot.

Midway through the final frame, John Robson fed the puck out into the Southie goal crease and Ed Harding slid it home for the score.

As we head for the Christmas season, the Squirt "A's" lead the West Division by a substantial margin and trail Stoneham in the overall league standings by only one game. Don't trip Stoneham!

Squirt B's
Outshot by only 15-13 the B's lost to a strong Methuen team by a score of 5-1. Methuen opened the scoring early in the first period and maintained this margin until they tallied again at the close of the second period. The B's weakened early in the third frame as the opponents opened the score to 4-0.

After goalie Tony Aresco stopped a penalty shot it looked as if the B's might have come alive, but the most they could muster was a goal by Jim Smith assisted by Eric Berger and Lance Sullivan. Methuen quickly followed to complete the scoring as the contest came to an end.

Bright spots in the game were the fine defensive play of Lance Sullivan, Joey Cornish, Kevin Robinson and Sten Larson as these defensemen also accounted for one third the total shots on net.

Jim Smith was voted overwhelmingly by his teammates to be captain of the team. Assistant captains are Brian MacLellan, Sean Lowney and Dennis Moran.

Next Saturday, December 14, the B's play Westford at 4:30 p.m.

Bantam A's

A scrappy North Reading team provided stiff competition for the Wilmington team last week, but Wilmington, outshooting their opponents 31 to 15, emerged a 4-2 winner.

North Reading scored in the first minute of play on a slap shot from the right point on which goalie Rick Ballou was screened. It looked pretty grim for the home team until midway through the second period, when Mickie won a faceoff, drew the buck back to Bill McCann who slid it over to Kmon who scored on a quick slap shot through a screen. A minute later, Mickie sent Kmon streaking down the right boards, who fed Bill McCann in the slot. Bill beat the goaltender with a low shot to the right. It was Kmon again three minutes later from in close with assists to Bill McCann and Joe Velozo.

The North Reading team drew to within one goal midway through the final period on a power play goal, but McNamara climaxed a brilliant rush from his own blue line two minutes later to ice the contest. Dave Ballou was credited with an assist on the play.

Intramural Blades-Blazers tie

Scoring for the Blades was Jay McFadyen and Eric Cornish, each with one, the assist going to Steven Pilla and Brian Gillson.

A good game was played by Peter DiRupo and Matt Sullivan. Greg Howard did well in net as it was his first time.

The Blazers' scores go to Dante DeMarco with both goals, the only assist to Billy Tucci. Scott Fuller saved 14 shots.

Buckaroos-Gulls tie

The score was 3-3 with the scoring for the Buckaroos by Sean Brennan with the hat trick. Getting the assist was brother Jeff Brennan and Richie Celeta.

Fine goal tending by Greg Sullivan held the Buckaroos to the tie.

Bears-Aces

The Bears took the Aces in a 5-1 game Saturday night. Jerry O'Reilly came on strong with three unassisted goals and the other two bears' goals were from Ed Olsen with an assist by Cliff Jones and Brian Tully with the assist going to Dave Deming. A good job of goal tending was done by Tom O'Connor.

Rich Finlay scored the goal for the Aces assisted by Ned Whitney. The hard work and extra effort from Rich Bova and Roger Quandt made for an exciting game.

Braves-Americans

The Braves defeated the Americans by the score of 2-1 in a fast, penalty-packed game. Tom McHugh scored the two Braves' goals assisted once by Steve Raso and once by Steve Marrazini. Jay Hanafin and Steve Raso played a darn good game in spite of penalties.

The Americans' goal came from the stick of Peter Gentile, assisted by Larry Berrigan. Defensemen Darren Colarusso and John Cox did a fine job for Coach Barrett.

Mite A's

The Mite A's, December 2, came from behind to defeat Chelmsford 3-2 last week. Chelmsford took charge of the first period by scoring two goals. Wilmington tied things up in the second period. Peter Oikle scored, assisted by Scott Poole.

Billy Woods tied the score on a goal assisted by David Fuller. In the third period Tom Craig scored the game winning goal on a nice play set up by Bobby Walden and Billy Woods.

On December 8, the Mite A's remain unbeaten by posting a tie against Wakefield. Wilmington's only goal was scored in the third

period by David Richards with the assist going to Billy Woods. Wakefield answered with a quick goal to tie the score.

Wilmington had 20 shots on net, but could only capitalize on one of them. The A's meet South Boston on Monday, December 15 at 6:10 p.m.

Pee Wee A's

The A's are now 16-4-3 after the last two games in Tyngsboro. Bedford, previously unbeaten, was defeated 7-2 in an excellent team game. The A's scored twice in the first period, once in period two and unloaded four goals out of nine shots on net in the third period.

The scoring went Gordon Smith, Frank Devita and Keith Ford, each with two goals, mark Boudreau, one goal, Mike Stokes and Doug Wiberg, two assists each. Rick Zambernardi, Walter Surrutte and David Kidd each had one assist.

Stretch Storee played an excellent game in the nets stopping 15 of 17 shots.

December 7: After a week's rest, Coach LaLiberte's team returned to Tyngsboro to take on Westford and quickly found themselves down 2-0 in period one. Keith Ford assisted by Mark Boudreau made it 2-1 at 1:55 of the first period. Mark Boudreau then tied it at 2-2 at 2:00 of the second period, assisted by Mike Stokes.

Midway through period three, Keith Ford stuffed in a Mark Boudreau rebound assisted by Bob Lowney. Westford pulled their goalie and after Wilmington missed an open net on a shot from center ice, Westford came back to tie the game through a screen. Next game at Wilmington, Wednesday, December 17 at 8 p.m. with Tewksbury providing the opposition.

Pee-Wees

Dan Burbine's Blues beat the Kings to a 6-5 game Saturday

night. The Blues' Joey Burbine picked up a hat trick with two goals going to Louie Martinetti and one goal to Steve DiRupo. Assists went to Mike Bedell and Louie Martinetti with two each. One assist went to Joey Burbine and one to Gary Holbrook. Fine defensive work by David Corarusso and Mike Manni with Andy Bedell doing great work on wing. Excellent goal tending was turned in by Robie Santos.

Kings' Butchie Hill picked up two goals with one goal each for Larry Merry, Bobby Wright and Steve Daley. One assist went to Frank Puleo and one to Butchie Hill.

Great offensive work was shown by Timmy Gilligan and John Laper each with two goals, mark Boudreau, one goal, Mike Stokes and Doug Wiberg, two assists each. Rick Zambernardi, Walter Surrutte and David Kidd each had one assist.

Bruins-Rangers

The Bruins and the Rangers ended up in a one to one tie. The Bruins' Dave Collins scored their only goal with Kenny Skantz getting the assist.

In the last 27 seconds of the game Bruce Davidson scored unassistedly for the Rangers. The Rangers pulled their goalie, Kevin one. Keith Ford assisted by Mark Surrutte who saved a lot of shots. LaLiberte made it 2-1 at 1:55 of the first period. Mark Boudreau then tied it at 2-2 at 2:00 of the second period, assisted by Mike Stokes.

Good defensive work by Mark Young, S. Sullivan, K. Tibeaut, D. Ahern, A. Bartlett, Steve Bailey for the Rangers. All played exceptionally well.

Cheryl Knickle is bride

On Sunday, October 12, Cheryl Lyn Knickle, daughter of Mr. and Mrs. Clifford A. Knickle of Mystic Ave., Wilmington and Jerry P. Stevens, son of Mr. and Mrs. Henry J. Stevens of Chestnut Street were joined in marriage at the altar of St. Thomas Church. The Rev. Father Francis W. Mackin performed the double ring ceremony.

Given in marriage by her father, the bride was radiant in her gown of chantilly lace featuring an empire waistline, high ruffled neckline and full bishop sleeves. A wide ruffled flounce formed a Watteau Chapel train. Her long illusion veil outlined in scalloped chantilly lace completed the total look. She carried a cascade of white and pink roses, Fuji mums, white carnations, stephanotis and baby's breath.

Miss Donna F. Knickle, sister of the bride served as maid of honor. She wore a gown of apricot polyester interlocked jersey with long fitted sleeves, a V neckline and a capelet effect. Her matching picture hat was trimmed in velvet ribbon. She carried a round bouquet of apricot roses, white daisies and straw flowers.

Miss Laura J. Knickle, sister of the bride, Ms., Kathy Johnson and Miss Patty Maison, friends of the bride acted as bridesmaids. They wore identical gowns of rust polyester interlock jersey with long fitted sleeves, a V neckline and a capelet effect. Their matching hats were trimmed in velvet ribbon. They carried round bouquets of rust roses, white daisies and straw flowers.

Edward Rutter of Keeseville, N.Y. served as best man while ushering duties were in charge of Mark Knickle, brother of the bride, Donald and Peter Stevens,

brothers of the groom, Tom Bankert and Al Jaska, friends of the groom from Plattsburg, N.Y.

Mrs. Margaret Fantigrossi, sister of the groom, was in charge of the guest book at the reception held in the Knights of Columbus hall in Wilmington.

for her daughter's wedding, Mrs. Knickle chose a full length, sleeveless gown of forest green polyester jersey with a floor length cape coat to match and an orchid corsage.

The mother of the groom was attired in a full length gown of beige polyester jersey with a capelet effect and an orchid corsage.

The new Mrs. Stevens is a 1974 graduate of Wilmington High School.

The groom is a 1973 graduate of Shawsheen Tech and is serving in the U.S. Air Force, stationed in Plattsburg, N.Y.

Following a wedding trip through Florida, the couple is now at home in Keeseville, N.Y.
